PARTNERSHIP

Clink Toronto would like to thank its generous partners:

THE “FRENCH TOUCH” CRUISE

is a fundraising event initiated by *Clink Toronto* to gather the French, Francophone as well as the Anglophone community to a social event to support innovative projects and encourage business opportunities. The goal of this event is to help a vibrant community of bilingual businesswomen and businessmen to develop new ideas. A portion of Clink Toronto's profits will be remitted to our four selected projects to be used for their ongoing development.

The evening aboard the luxurious ship “*The Empress of Canada*” promises to be a wonderful blend of dancing, feasting and networking, while enjoying a wonderful view of the Toronto's skyline.

We look forward to your presence for this delightful evening, which includes French cuisine, wine tasting in addition to a fabulous Cabaret show.

OUR FOUR PROJECTS

The four following projects will be the lucky recipients of *Clink Toronto's* proceeds from The French Touch Cruise:

1. Discover IPSUM Vision, is a new francophone business specialized in a consulting and IT solutions. The company was founded by a young French Sébastien Leroux. This dynamic young entrepreneur offer various services in agricultural industry.
2. It is a discount card created in order for you to discover new businesses around your area. The card gives you access to our mobile App Parici, which is a list of francophones and francophiles businesses in Toronto. It allows businesses to publish and update customers on what's new in their activity and the surroundings. The Parici card will give you access to discounts and special offers proposed by our partners as well as to a large range of services and information in french about the francophone and francophile community in Ontario.
3. Discover Calliphany, French calligrapher and designer. Passionate about letters, typography the art using the alphabet to create Art, Calliphany offers custom design services to people and companies to bring a "unique" touch to your events: weddings, dinners, personal or corporate events, graphic identity, custom cards, chalk lettering art...
4. Discover 3Yours, is a new francophone business specialized in events. The company was founded by a young Canadian and a young francophone. These two dynamic young entrepreneur offer various services such as organizing parties, business meetings, bachelor or hen parties, weddings, gala and many others.
